Dear Festival Vendor:

Thank you for your continued support of the Patterson Cypress Sawmill Museum Festival. It is time to submit your application for food booths. Enclosed you will find an application and agreement to operate a food booth.

The Festival will allow duplication of food items among commercial vendors this year. However, all non-profit organizations will continue to be protected from duplication such as PVFD, KC's, Lions Club, etc.

Your booth fee for 2010 will be a deposit which will be credited back to you on Sunday. The Festival will receive 20% of the gross sales of your booth. Electricity will be checked for amperage, so please be honest when you register.

Please process this application and send your fees as soon as possible. The deadline is March 15, 2011.

You must be current with all State and Local Sales Tax authorities. Contact me with any questions by email at crad2055@bellsouth.net or call 985-255-6334.

The Festival dates for 2011 are April 1 though April 3, 2010. Please visit our website for more information, www.cypressawmill.com.

Sincerely,

Lee Craddock
